

FREQUENTLY ASKED QUESTIONS

What is the Co-op Connections® Program?

An exclusive membership discount program that offers cooperative Members thousands of local and national discounts. The program represents another value added service provided by MEC and also supports participating businesses.

Does this program cost the Member anything to join?

No. You get a card simply for being an active MEC member.

How is the card activated?

No activation fees or registration are necessary. Simply use the card at any business that displays the Co-op Connections window decal.

Does everyone in my family need an individual card?

No. One card may be used by the entire family.

Where can I use the card?

Your Co-op Connections® Card is accepted at over 50 national companies, local businesses that participate, and over 11,000 businesses nationwide. Any business that displays the Co-op Connections window decal honors the card. When you travel, you may use your MEC card wherever any Co-op Connections® Card is accepted.

How do I find a list of businesses offering discounts?

Visit our website www.meckelec.org and click on the Co-op Connections® Card link. There you can view the local and national businesses and their discounts along with the pharmacy locator.

When will I be able to start using my card?

We will send out cards for your wallet and key ring with your October electric bill.

Check upcoming issues of Cooperative Living magazine and our website www.meckelec.org for more details.
